Dear Families,

We are at a major crossroad in dealing with the spread of COVID-19. Since the closing of New York City Public Schools, we have restructured programs to address the needs of our families. MMCC’s Upper Management created a schedule to accommodate the community. Below is a breakdown of each department’s schedule.

As always, thank you for your support. We will continue to update you as new information becomes available. You can call us at 718-882-4000 or email at generalinfo@mmcc.org. Stay safe and be well.
