MMCC - Building communities one life at a time
Dear Friend:

Mosholu Montefiore Community Center is pleased to host our 6th Annual MMCC Golf Classic presented by Lawrence B. Benenson on Monday, September 14. Although we have witnessed an unprecedented year of change, MMCC remains steadfast in our mission to strengthen community bonds with our supporters and the people we serve.

For over 77 years, MMCC has been a vital community resource that has positively impacted the lives of Bronx and Manhattan residents. Each year, we serve over 35,000 preschoolers, school-age children, teens, adults, and senior citizens through various educational initiatives and recreational programs. One of the many ways we assist our community is through the MMCC Food Pantry.

Since the pandemic, the food pantry has serviced over 1,000 families a week. This number reflects the pervasive crisis that underserved communities face daily. Food insecurity and unemployment rates are key contributing factors to these staggering numbers. In addition, we are providing 360 families of undocumented workers with financial relief through the Emergency Cash Assistance Program (ECAP). Without this support, many families would face a grim and uncertain future.

Please help support the MMCC Food Pantry, as well as our other community service programs by participating in our golf outing and by becoming a sponsor. Your involvement helps provide funding and crucial resources for individuals, families, and the community at large. We believe that strong community connections are an integral component of what makes MMCC special.

If you have any questions about the food pantry, golf, or sponsorships, please do not hesitate to contact us at 718-882-4000. Thank you for your consideration in helping to support the MMCC mission.

Sincerely,

Robert M. Weiss
President
Mosholu Montefiore Community Center
