MMCC Mission

The Mission of MMCC is to improve the lives of Bronx residents with our dedication to humanitarian efforts; reaching out to a rich tapestry of cultures, building gateways to success through quality service and programs, building confidence, sustainability and working toward self sufficiency for individuals we serve.

What We Do

For over 10 years, the Education Counseling Center has been dedicated to carrying out this mission for young people ages 17-24 through job training and certification programs, high school equivalency classes & TASC testing, internship & job placement, and other supportive services designed to help young people succeed in the workforce and post-secondary education.

Opportunities for the future

Bridging Business and Community

The Educational Counseling Center understands what it takes to be successful in the workforce. We screen, train and evaluate every intern and place them on a path that leads to success in the workforce. Businesses can depend on us as a resource for talented and skilled interns and potential employees. Our internship participants are PAID through funding from the NYC Department of Youth and Community Development, at no cost to the businesses we serve.

Opportunities for Youth Ages 17–24:

Culinary Arts Training

Our students learn food sanitation and safety for the food service industry. A hands-on approach in our industrial kitchen, alongside experienced chefs, in addition to classroom instruction, give our students the edge in this growing market. They receive on-the-job experience through paid internships. Graduates of this program go on to work in all types of restaurants, for catering companies and franchises.

Young Adult Internship Program

Participants choose from a large range of internship options in both the public and private sector. Participants gain on-the-job skills to work in customer service, retail, human resources, and many other exciting careers!

Opportunity Youth

Participants attend ABE and/or HSE classes while simultaneously interning at sites and exploring career options.

College Bound

Participants receive individualized assistance to make well-informed decisions on higher education, and to ensure that their education plans coincide with their future careers.

Other Options for Young Adults:

- HSE classes and testing center
- Customer Service classes and certification
- Supportive and referral services
- Leadership Development and Civic Engagement Opportunities
- Small classes promote learning and individual assistance.

Feel free to schedule a visit of our programs and meet our staff and students. In addition, we would be happy to provide you with a list of our current and satisfied partners.
