Dear Friend:

Mosholu Montefiore Community Center is pleased to be hosting our **7th Annual MMCC Golf Classic** presented by **Lawrence B. Benenson** on Tuesday, October 5. Although we have witnessed an unprecedented year of change, MMCC remains steadfast in our mission to strengthen community bonds with our supporters and the people we serve.

For 79 years, MMCC has been a vital community resource that has positively impacted the lives of Bronx and Manhattan residents. Each year, we serve over **35,000** preschoolers, school-age children, teens, adults, and senior citizens through various educational initiatives and recreational programs. One of the many ways we assist our community is through the **MMCC Food Pantry**.

Since the pandemic, the food pantry has serviced over **650** families a week. This number reflects the pervasive crisis that underserved communities face daily. Food insecurity and unemployment rates are key contributing factors to these staggering numbers.

MMCC has continued to serve the community during the pandemic through virtual programming; our dedicated staff adapted and performed admirably. Now we are thankfully returning to traditional in-person programming.

Please help support the MMCC Food Pantry, as well as our other community service programs by participating in our golf outing and becoming a **sponsor**. Your involvement helps provide funding and crucial resources for individuals, families, and the community at large. We believe that strong community connections are an integral component of what makes MMCC special.

If you have any questions about our programs, sponsorships or the golf outing, please call us at 718-882-4000. Thank you for your consideration in helping to support the MMCC mission.

Sincerely,

Arthur Rubinstein
President
