Greetings,

I would like to take this moment to acknowledge the rich diversity that is represented within the community we serve as well as in our Support Services department. We take great pride in ensuring that all clients feel seen and more importantly, uplifted for who they are.

While the focus shifts towards more recreational activities in the summer months, please keep in mind that Support Services can contribute to the fun. Our NDA: Healthy Families and NYCBenefits programs assist clients with signing up for NYC IDs which provides admissions to several local attractions at a discounted rate. For any appeals pertaining to the recent tax season, our VITA Tax Prep staff are ready to assist with any questions or concerns you may have.

For any further inquiries about our programs or if you are experiencing a crisis feel free to call MMCC Support Services at 718-882-4000 ext. 444.

Warmest Regards,

James Bishop Jr.
Director of Support Services at MMCC

**JUNE’S SHOUT-OUTS!!**

We're honored to extend our gratitude to a valued member of our team: Damien Morales, our Pantry Assistant! Damien has been an integral part of our team for over two years, playing a vital role in our Pantry services. Demonstrating unwavering dedication to the Norwood community, a community he proudly calls home. You've likely seen Damien at every pantry distribution, tirelessly handing out pantry bags to our participants and ready to assist with any inquiries.

*Feeling the heat?*

We realize waiting in line under the blazing sun can be tough. Since our pantry services take place outdoors, we'll be providing a cool water bottle to each person waiting in line during our distributions.

**Join Our Mission!**

Have you ever wondered who's behind the packing of those pantry bags each week? It's a collaborative effort between our Workforce Development interns and some truly remarkable volunteers. With an average distribution of 500 pantry bags weekly, it's a significant undertaking that wouldn't be possible without the incredible support from our interns and volunteers.

Interested in supporting our Food Pantry? There are numerous ways to make a meaningful impact, whether you choose to volunteer your time, make a donation, or raise awareness about our services, every act of kindness contributes to our mission. Together, we can nurture a healthier, more vibrant community for all. For more information, please visit us at MMCC.org

**Looking Ahead…**

Throughout the summer season, our Pantry Coordinator, Africa Dawson, will be on leave. Should you have any inquiries regarding our pantry services, please direct them to Damien Morales, Pantry Assistant, or Maya Doyle, Assistant Director of Support Services.

**Pantry Procedures…**

Pantry tickets will be distributed at 8:30 am on pantry days, followed by the distribution of pantry bags at 10 am in numerical order. To receive a bag, present your ticket and NY State ID or Plenti-Pass QR Card. Collecting items for others is not allowed. Thank you for your cooperation.
